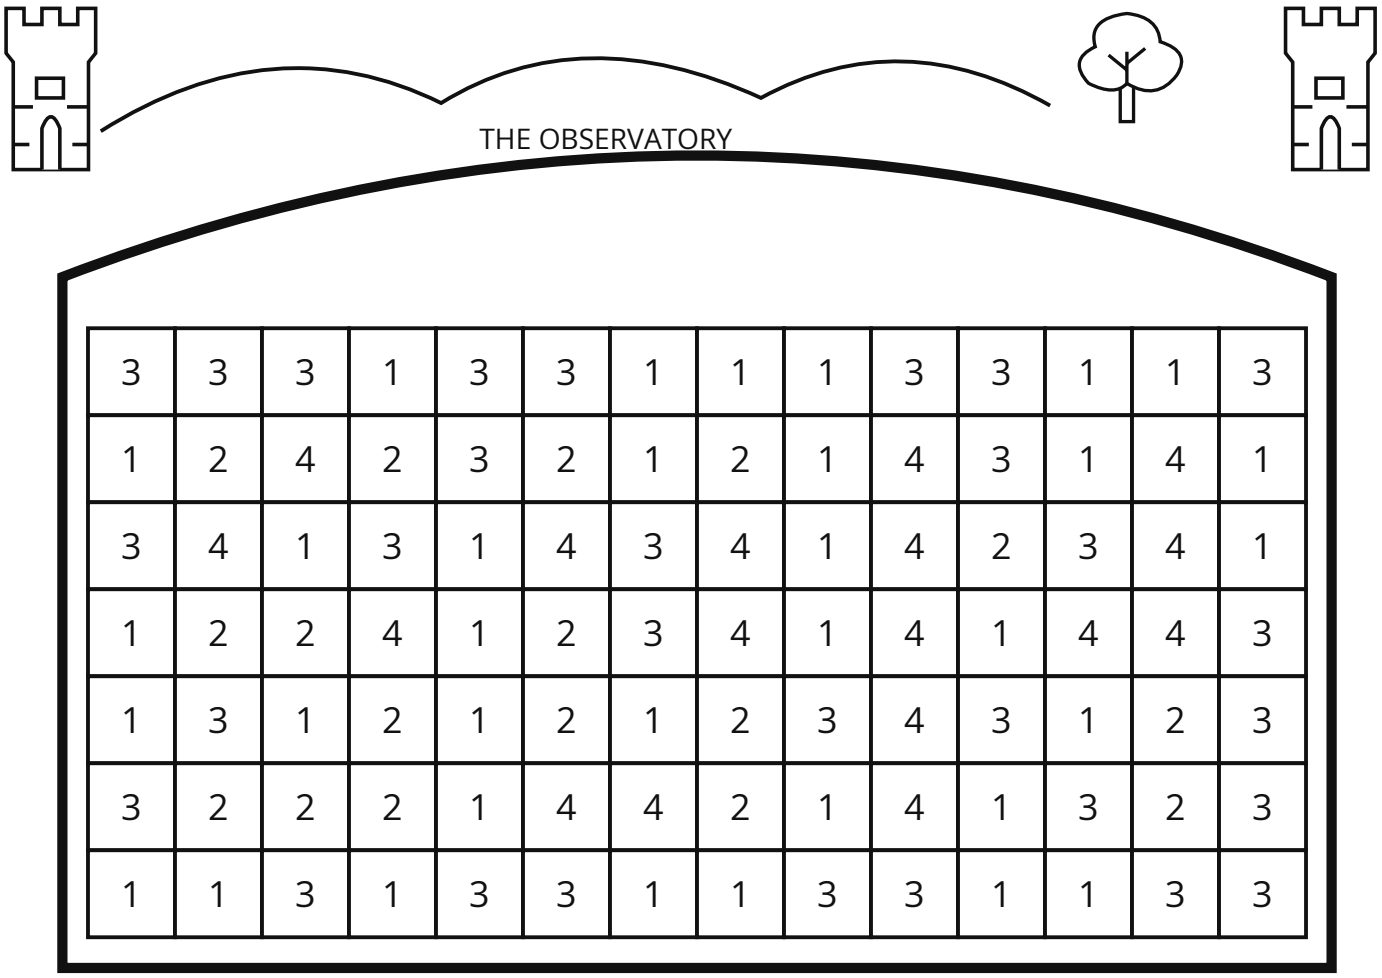
The Wizard's Window

The observatory window conceals a password. Mira thinks its numbers are a message rather than a spell.

Colour the cells marked 2 or 4. Leave 1 and 3 white. Read the three letters from left to right.



3	3	3	1	3	3	1	1	1	3	3	1	1	3
1	2	4	2	3	2	1	2	1	4	3	1	4	1
3	4	1	3	1	4	3	4	1	4	2	3	4	1
1	2	2	4	1	2	3	4	1	4	1	4	4	3
1	3	1	2	1	2	1	2	3	4	3	1	2	3
3	2	2	2	1	4	4	2	1	4	1	3	2	3
1	1	3	1	3	3	1	1	3	3	1	1	3	3

Colour every 2 and 4. Leave 1 and 3 white.

The three large letters reveal the password.

Password: ___ ___ ___

Answer: _____
